Dear Sir:

I am in receipt of your letter of Dec. 15th, asking the pleasure of the members of The Negro National League as to when the meeting should be called.

I feel that it should be called as soon as possible. There is a great possibility we may not be able to play night ball this season. If we find this to be true, we will have to try and arrange twilight ball, and will possibly have to try and do a lot of things that were not necessary before.

In view of all these things, I feel we should meet as soon as possible.

Very Truly Yours
